SAVE THE WORLD

(beat nr. 3)

We can save the

.....
world.....

From the bottom to

the top

From Tokyo to LA

North Pole to

Africa

(ALL)

We can

save the world

From the

bottom to the top

From

Tokyo to LA

North

Pole to Africa

People are cutting trees all over here

Sombody need to stop them from it

'Cause we still

We believe

That the Earth will still live

But now, now

The air is polluting

So go and take your bike

With that you stop smoging

Hey you,

hey you

Segregate

your garbage

'Cause

we can

Together

Show our

eco-power

Hey you, hey you

Segregate your garbage

'Cause we-can /Together

Show our eco-power

So you can save
the world
From ocean to
mountain's top
From New York to
Seoul
From Hong Kong to
Peru

Hey
you, hey you
Segregate
your garbage
'Cause
we can
Together
Show
our eco-power

////
soloRap

Save the Earth, plan your birth
take a trip to the city centre throw
trash waste food no we recycle and we don't waste so should you.

Class 6a is cray play with the
class got some sass got the bass ey ey
The earth's core got some smore
yeah the candy people so god demanding.. demanding.

///

Hey
you, hey you
Segregate
your garbage
'Cause
we-can /Together
Show
our eco-power

People
around the world,
we want a
future with love
because in
the end
we're all
the same from above

we all
deserve in life a chance
no matter
what the circumstance
we are all
equal at a glance
and we all
need a home

[chorus]
humans with
wants like love and care
humans with
needs like food and air
we all need
safety, we all need a home
forever and
always and never alone

if you
could change in it a thing
what would
you add or maybe link?
would you
link lovers, friends or foes?
would you
boost someone at their lows?

different
people that take over
then in
love the world they cover
make it a
better place a better home
then join
us too, you'd better come

Can you hear me? S.O.S.
Help me put my mind to rest
article 25
Declaration on human rights

I can feel your love pullin' me up from the underground,
Everyone has the right to an adequate standard of living.

I can feel your love
pullin' me up from the underground,
that includes health
and well-being.

We could be more than a drop in the ocean.
We could be more than a drop in the ocean.

**I get robbed of all my sleep
As my thoughts begin to bleed
I'd let go, but I don't know how
Yeah, I don't know how, but I need to now**

**Can you imagine what it
would be in corona time?
Without medical care... there would be ...
a lot more victims.**

I can feel
your touch pickin' me up from the underground,
you helped me construct a house
we could be more than a drop in the ocean.
I can feel your touch pickin' me up from the
underground, yeah
we shared food and clothes
we could be more than a drop in the ocean.
more than drops
We could be more than a drop in the ocean.
Can you hear me? S.O.S.
Help me put my mind to rest

LA TORTUE

JE suis une tortue et on me lance
Des déchets depuis ma naissance
Déchets plastiques et mer toxique
Je mange du plastique, que du plastique

JE suis une tortue des temps modernes,
Le mer n'est plus bleue, elle est terne
Les assoc ONG parrains,
Ils m'aident en vain, ils m'aident en vain

JE suis une tortue en 2020
Ce sont les hommes les vrais requins
Les déchets semblent être mon destin
Moi je nage en vain, je nage en vain

Refrain

Tu vois, je suis une tortue
Et le plastique, oui ça me tue
Au fond, qu'on me délivre
JE suis celle qui subit le pire

JE suis une tortue ou un dauphin
Ou bien une baleine des fonds marins,
La mer est ma joie, mon chagrin
Personne n'me plaint, personne n'me plaint

Refrain

Tu vois, je suis une tortue
Et le plastique, oui ça me tue
Au fond, qu'on me délivre
JE suis celle qui subit le pire

JE suis une tortue et on me tue
Les emballages, les détritus,
Mon estomac ne digère plus,
Le plastique cru, le plastique cru

Avant les tortues vivaient en paix
Sans les hommes et leurs déchets
Mais ça s'est très vite arrêté
On disparaît, on disparaît

Refrain

Tu vois, je suis une tortue
Et le plastique, oui ça me tue
Au fond, qu'on me délivre
JE suis celle qui subit le pire

A cause des petits déchets, des non recyclés
Des non dégradés et voit ce qu'ils nous ont fait

Poissons empoisonnés, oui intoxiqués
Qu'attendez-vous pour les recycler ?
